Add dimension with 3D Crystal Lacquer

Mount tag display to card stock if needed, make easel to stand on counter. Add dimension with 3D crystal lacquer. Glue on extra order forms.

Roll up aquarium background papers, glue on a label and insert in clear plastic straw. Punch white foam circles for tube ends.

Laminate food mats (make more with colored paper and photos of pets), fold up box, insert mats, and place on shelf.

Put small aquarium gravel in tiny plastic bag (make it out of food wrap or clear package tape). Add label.
